Miraculous Expression

During the month of May, Grace Church will be receiving donations for the "Love Offering for Missions." To quote our bishop, "this is a chance to participate in yet another miraculous expression of God's love in action." This year the Love Offering for Missions will support three projects that will help others live expectantly and abundantly.

United Methodist University of Sierra Leone

Monies will be used to create a School of Applied Health Sciences. Trained health professionals who graduate from this new institution will significantly improve the accessibility and quality of health care throughout Sierra Leone.

Emma Norton Services

The Twin Cities- based nonprofit organization provides safe, affordable housing for individuals and families. These people receive resources and coaching to equip them on their path toward stability.

Volunteers in Mission Scholarships

Love offering helps offset the costs for first-time participants.

** Please use the envelopes provided at the church and be sure to mark your check "Love Offering." Thank you all for your extravagant stewardship!*
