Make **Grace** YOUR PLACE

Grace United Methodist Church is a place where you can find acceptance, joy, forgiveness, prayer, safety, healing, friends, peace, knowledge, music, love, learning, and so much more. We desire for everyone who visits Grace, or calls this church home, to experience God's unconditional love and to reflect that to others.

Life at our church is guided by these statements.

- We recognize God's **grace** is at work throughout our spiritual journeys to prepare us, redeem us, and continually shape us into the people we were created to be.
- We seek to have others **grow** in their relationship with God and with each other. We want people to feel comfortable coming to worship for the first time, attending their first Bible study, making their first invite for someone to attend church with them, or serving the community in their first mission experience.
- We want everyone to **know** and **experience** a life with Jesus that can change lives, strengthen families and communities, and transform the world.
- We seek to be a **loving** church that sees Christ in ALL people and honors God's creation.
- We want to joyfully **serve** our neighbors, which include; our church, our surrounding community and the world with our time, our talents and financial resources.
