Grace Communication Tool

Did you know...that the e-Grace newsletter is one of our most vital communication tools that helps people stay informed about what's going on in the church? We are looking for someone to continue developing this tool for the church. If you have the time and talents and are interested, please talk with Abby Jacobs or Pastor Gary. Thank you!

Share Your Thoughts

It has been brought to our attention that more and more families are choosing cremation to honor their loved ones. The reason we are bringing this topic to your attention, is in hopes to receive your feedback on the consideration of building a columbarium here at Grace. A columbarium is simply defined as a room or freestanding structure where urns containing cremated remains are respectfully stored. Considering this, come the questions of what this structure looks like and where it would be located. There are a few columbariums in our area, so if you would like to visit one, please contact a trustee of the church and they will direct you. We appreciate any feedback or comments you may have. Please e-mail Collin Jacobs at collinjamesjacobs@gmail.com and findings will be shared with the Board of Trustees.

New Members

New members will join Grace Church on Sunday, November 18th. Anyone who is not currently a member but would like to join, you are invited! Please let Pastor Gary know ahead of time.

Grace Bags

Be sure to stop by the table in the Narthex for more information on the new mission, "Grace Bags." In case you missed it last week, attached is a flyer for additional information. Let's fill some boxes for a good cause!

Thanksgiving Dinner

Find volunteer sheets in the Narthex to help set up, serve, clean up—and donate food (salads and 10 cans of chicken broth still needed). **THANKS** in advance for your contribution—and join us for the meal on November 22nd from Noon - 2 p.m.

Pray for Our Schools

At the end of August we celebrated back to school by offering a blessing to the teachers, staff, and students. We ask that you pause sometime this week to lift up our schools again as they are through the 1st quarter of the school year. Pray for encouragement, vitality and support.
