

Lent Scripture & Reflection Questions: Week 4

Read, ponder, and discuss in preparation for Sunday, March 11

Scripture Readings:

- Psalm 63
- 1 John 3:16-24
- John 6:35-40

Reflection Questions:

- As you continue through this Lenten season, in what ways are you looking to make your life brighter and more beautiful?
- What past experiences help you make those changes?
- How is God helping you to make your life brighter and more beautiful?

Family Lent Link:

- Have family prayer time sharing joys and concerns, and then say this prayer:
Dear God, thank you for always being with us. Amen. Do the closing prayer as a repeat after me, or write it out for young readers.
- Read 1 John 3:18 together and discuss how sometimes it's difficult to be consistent with our words and actions. It's easier to say we love someone than show them that we love them. Create a list of ways your family can show your love for each other. Hang the list on the fridge and encourage each other to try a new way to show your love.
